Head Teacher News

Dear Parents and Carers,

It has been so lovely to see so many of you this week Who have been in school for parents evening. It is Always so lovely to have families in to school and be able to celebrate the students progress.

Today we have had our fundraising day for Children in Need. Thankyou for your generous donations at High Oaks we raised: £233.35. We started off the day with a staff music session in pyjamas to get us ready for the day. The students enjoyed a pyjama disco this morning. This week as it was National anti bullying week the students have been thinking about friendships as part of their PSHEC lessons.

Please can I remind parents and carers if your child is unwell and unable to attend school that you contact the school office in the morning to let us know. If we do not hear from you we will carry out a home visit on the second day as part of our safeguarding process.

I hope you all have a lovely weekend

Syon 4

It has been an amazing first half of the term! The children have enjoyed a variety of exciting activities, celebrating both Diwali with colourful crafts and stories, and Halloween with lots of spooky fun.

In their learning, they have been exploring the Autumn season - recognising the changes in nature and spotting signs of Autumn all around. A lovely class trip gave them the chance to collect leaves, pinecones, and conkers.

It's been a wonderful and creative few weeks, and everyone is now looking forward to the festive season and the excitement of Christmas ahead!

Kew 4

Kew 4 has had a vibrant and exciting first half of the term, full of learning and fun. We explored the beautiful colors of Autumn, enjoyed bike rides and worked on patterns in creative ways.

We've been inculcating a spirit of independence by ensuring pupils helping with washing up after cooking and getting creative with painting. There were lots of bright colors and happy smiles during these moments.

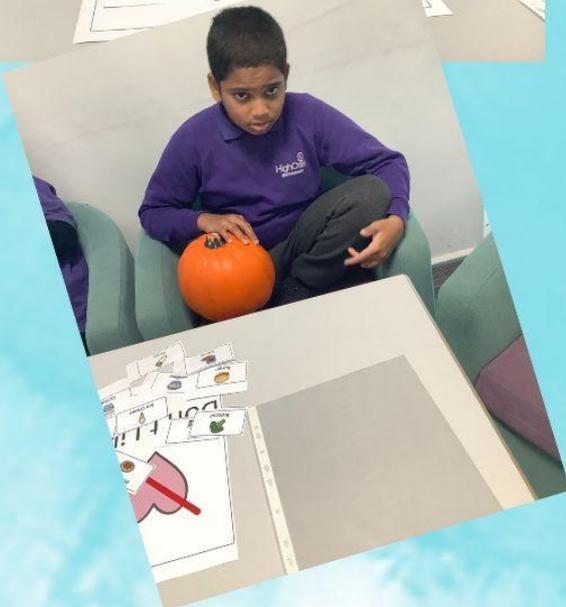

An amazing time was had at the Stomp workshop, where everyone worked as a team to make music, rhythm and movement.

The class is now eagerly awaiting the magic of the Christmas season and all the wonderful learning adventures still to come!

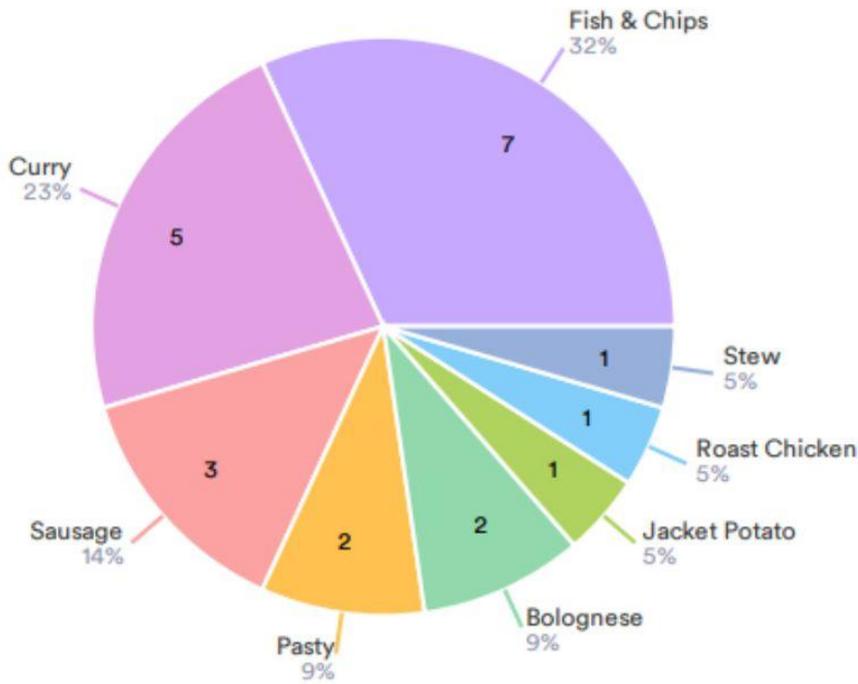

School Council News

This month at school council we have been thinking about our school dinners. We talked about food we like and food we don't like. Our head students are going to share this with the school kitchens later, but all of us said that lunchtime is the best part of the school day!
